## OBJECTIVE

---

Motivated Web Developer with 1+ years of project experience in designing and implementing web applications. Seeking full-time roles to leverage skills in frontend and backend development to build innovative and scalable solutions. Proficient in JavaScript, React, Node.js, and database management.

## EDUCATION

---

**Bachelor of Computer Technology**, Ganpat University Expected May 2025  
Relevant Coursework: Data Structures and Algorithms, Database Management Systems, Java, and Node.js.

**Higher Secondary Certificate (HSC)**, Shri J.B. Shah English Medium School 2021

## SKILLS

---

<b>Technical Skills</b>	JavaScript, Python, Java, React, Node.js, Git, GitHub, MySQL, HTML5, CSS3
<b>Soft Skills</b>	Communication, Time Management, Problem-Solving, Adaptability

## EXPERIENCE

---

**Backend Developer** February 2023  
Student Startup and Innovation Policy (SSIP) Hackathon *On Campus*

- Developed backend infrastructure for a sports management mobile application using Node.js.
- Implemented a secure OTP system for user authentication and password recovery.
- Integrated Nodemailer for email OTPs and Twilio for SMS delivery, enhancing user verification.
- Designed OTP generation, validation, and expiration mechanisms to improve system security.
- Optimized user login and password reset workflows, resulting in improved user experience.

## PROJECTS

---

**Student Corner Web App.** Developed a full-stack web application using Node.js, EJS, MySQL, and CSS to connect students with events, hackathons, and scholarships. Implemented a notification system for upcoming opportunities and utilized RESTful API design principles for efficient data management. ([GitHub Repository](#))

**Dynamic Portfolio Website.** Designed and developed a responsive personal portfolio website using React.js and Framer Motion. Implemented smooth animations and transitions to enhance user experience. Showcased projects, skills, and professional information effectively across devices, demonstrating proficiency in modern front-end technologies and UI/UX principles. ([Live Demo](#))

## EXTRA-CURRICULAR ACTIVITIES

---

- Active member of Google Developer Student Clubs (GDSC). Regularly participate in community events, workshops, and hackathons, enhancing technical skills in web development and data structures and algorithms.
- Avid chess player, utilizing the game to improve strategic thinking, problem-solving skills, and mental endurance. Regularly engage in online matches to continuously refine decision-making abilities.
